

# BLANKET CAPACITY RELEASE – FACT SHEET

## **HOW THE BLANKET CAPACITY RELEASE PROCESS WORKS:**

- 1) Releasing Shippers will post available capacity on Iroquois OnLine (IOL). Anyone with access to IOL will be able to read the notices of available capacity. **HOWEVER, ONLY THOSE SHIPPERS WHO HAVE:**
  - a fully executed Blanket Gas Transportation Contract for Firm Reserved Service with Replacement Shipper; **AND**
  - appropriate Financial Assurances in place, **AND**
  - accepted the Iroquois OnLine site license agreement.

will be able to successfully bid on released capacity. NO EXCEPTIONS.
- 2) All bids are binding. Once bidding closes, both the Releasing Shipper and the winning bidder will be able to print from Iroquois OnLine a Capacity Release Offer Report (CROR). The CROR will list all details of the Capacity Release such as - Releasing Shipper, Replacement Shipper, volumes, rate, recallability, etc.
- 3) DUNS Numbers are mandatory for capacity release, which will be done via IOL. Please call Gina Ferreri, Contracting & Credit Services Representative, at 203-925-7229 or email her at gina\_ferreri@iroquois.com, if you have any questions regarding your DUNS number, including whether you currently have one listed with us from previous solicitations.
