FEDERAL ENERGY REGULATORY COMMISSION

Iroquois Gas Transmission System, L.P.

Docket No. CP13-502-003

NOTICE OF PETITION AND ESTABLISHING INTERVENTION DEADLINE

(February 24, 2026)

Take notice that on February 13, 2026, Iroquois Gas Transmission System, L.P. (Iroquois), One Corporate Drive, Suite 600, Shelton, Connecticut 06484, filed a petition under section 7(c) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations seeking reissuance of a certificate of public convenience and necessity authorizing Iroquois to construct and operate its previously approved Wright Interconnect Project (Project) and to abandon by lease the project capacity to Constitution Pipeline Company, LLC (Constitution) (Petition).<sup>1</sup>

Iroquois states that the project scope has not changed. Specifically, Iroquois requests reissuance of certificate authority to: (1) construct a new receipt point interconnection with Constitution; (2) construct a new 21,800 horsepower transfer compressor station; (3) modify its Wright Compressor Station; (4) modify metering facilities; and (5) install various appurtenances, all located in Schoharie County, New York. The Project will create 650,000 dekatherms per day of transportation service which Iroquois will abandon by lease to Constitution. Iroquois updated the cost estimate for the Project to be \$152,264,000, all as more fully set forth in the petition which is on file with the Commission and open for public inspection.

On January 8, 2026 in Docket Nos. CP13-499-006 and CP18-5-004, the Commission issued a Notice of Petition and Establishing Intervention Deadline (January 8 Notice) for Constitution's petition for reissuance of a certificate for its Constitution Pipeline Project and reaffirmation of the New York State Department of Environmental Conservation's waiver of authority under section 401 of the Clean Water Act. The Constitution Pipeline Project and the Wright Interconnect Project are inextricably linked. The January 8 Notice stated that "Until the details of Iroquois's petition are filed and
